

HEAR THAT?

Leisure Inclusion for Everyone

IT'S GETTING LOUDER...

Leisure Inclusion for Everyone

WHAT IS THAT?

Leisure Inclusion for Everyone

A RALLY CRY. AN IDEOLOGY.

Leisure Inclusion for Everyone

A VALUE...

Leisure Inclusion for Everyone

THAT'S ReccLIFE.

We embrace the concept that everyone has the right to live well and prosper. We take that philosophy and apply it to what Rath Eastlink Community Centre provides to the community: access to fitness and recreation opportunities in a safe, best-practice, state-of-the-art facility. Then ReccLife, through reductions on memberships, provides facility access to local families, youth, and individuals facing financial barriers.

How does it work?

Applicants submit this form completed in its entirety, along with the required supporting financial documentation. Approved applicants will receive a 3 month membership at a reduced cost as outlined in the document. This pricing is available for the period of 1 year after the application is approved. 3 month memberships are required to be paid in advance of accessing the facility, and a new 3 month membership can be renewed at any time within the 1 year window. Memberships will include access to Fitness Centre and group exercise classes, Aquatic Centre and classes, Rock Climbing Wall, and Ice Pad for skating. Strict confidentiality is maintained during all stages of program involvement..
